

Do I require to prebook a boat trip before visiting the wheel?

There is no requirement to pre-book but it is certainly advisable.

Generally early morning trips have spare places available but this can be very uncertain and depends on time of year and events occurring at the Wheel.

Our advice would be to pre-book to ensure your trip was allocated and you can plan your day around the trip time you have been allotted.

You can book online at <https://www.thefalkirkwheel.co.uk/online/index1.aspx> or by telephone at 08700 500 208.
